

MAMMOGRAMS AT KENNER ARMY HEALTH CLINIC

Are you in the window to receive your Mammogram? Do you have 20 minutes? Well, this is your lucky day. We can help you here, at Kenner Army Health Clinic. We have made numerous changes to our scheduling and there are no long wait times to be seen.

To receive your Mammogram, please follow these steps:

- Make an appointment with your provider
- Ask for a written order for a mammogram
- Schedule your mammogram at the Radiology Department
- Attain your prior studies for comparison before your appointment

If you do not receive your Primary Care at Kenner, follow the instructions provided by your outside provider. If you should have any questions or concerns, please do not hesitate to call the Radiology Department at (804) 734-9118. We are open Monday – Friday from 0600 to 1600. We look forward to serving you.

Thank you,

The Radiology Staff
